Please note – depending on number of teams and timings, the number of stations may vary. We may also need teachers to support with activities, so please ensure staff attending are prepared. You will find some useful resources on the LWSP website, including all the rules etc.

To further support schools, the Leeds Well School Partnership has developed a series of sport-specific activity plans to help deliver high-quality extracurricular and enrichment activities that broaden children's experiences beyond the academic curriculum. These resources have been created using guidance from the relevant National Governing Bodies (NGBs) and are designed to develop pupils' skills, confidence, and enjoyment of sport. They also help prepare children and young people to participate in local festivals, competitions, and wider sporting opportunities. Team Requirements

This event is open to any child in KS1. Schools are invited to bring 10 children to this event. Schools are initially limited to one team per school (10 pupils), but you can indicate on the booking form if you would like to bring another team if space allows. Extra teams will be allocated closer to the time should there be space available. Selecting 'yes' to that question does not guarantee you a place for an additional team. Please also bear in mind the intent of the event when choosing which children to bring. These events are indoor so children will need trainers, indoor kit and water with them.

Entry Details & Information:

Please check the table and use the links below to book your schools' place. As you will see, there are several different venues and time slots available for schools to attend, please only choose one venue/timeslot:
