Workshop Outline: This is the first **Primary PE Subject Leader Network** of the academic year, bringing colleagues together to connect, collaborate and share good practice.

The session will support and empower PE Subject Leaders to confidently and effectively **lead, manage and develop Physical Activity, Physical Education and School Sport** within their schools. It will provide key updates, practical guidance and opportunities to explore current priorities, alongside valuable time to network, share experiences and learn from colleagues across Leeds.

Register for the Networks on the Leeds Well School Partnership [website](#).

A confirmation email will then be sent out with further details at least a week before the event. This will include more details about the venue and parking.
